Services

Daijob.com is a recruitment job site accessed by bilingual professionals that want to use their skills and knowledge in their work environment.

If you want candidates with bilingual or multilingual capabilities and are seeking employment, then Daijob.com is the website for you !

The screenshot shows the Daijob.com website interface. At the top, there's a navigation bar with 'HOME', 'Job Search', 'My Page', 'Scout', and 'Career Support'. Below this, there are several search and navigation options:

- Search by Job Type:** Lists various job categories with counts, such as Executive (261), IT (3004), Engineering (1942), Building/Construction/Equipment/Real Estate (229), Finance/General Affairs/Administrative (3922), Education/Training/Language Specialist (184), Financial Market/Investment Bank (1104), Consulting (1101), Marketing/PB (2076), Medical/Pharmaceutical/Bio/Nursing (496), Sales/AE (2770), Logistics/Retail/Consumer/Fashion (515), Hospitality Business Specialists (66), Creative (227), Entry Level (48), Other Job Type (159), and Government/Public Offices/Organizations (10).
- Search by Keyword:** A search box with a 'Search' button.
- Search by Employer Type:** Lists 'Employers', 'Recruiters', and 'Staffing Agencies'.
- Hot Jobs:** A section for 'Hot Jobs' updated on 10/15, listing roles like Sales (MITSUBISHI HEAVY INDUSTRIES, LTD.), Data Analyst (BLOOMBERG I.P.), Programmer (Covansys), Supervisor, Desktop Support (EIRE Systems KK), and Programmer (Covansys).
- Hot Picks:** A section titled 'This week's featured companies' showing multiple listings for 'Daijob, Inc.' with 'Feature' and 'Job Info' links.
- Other service:** A list of additional services including 'Daijob New Graduates', 'China Job Search', 'Recruiting Service', 'Temporary Staffing Service', 'A Community for HR Professionals', and 'Promoting the Globalization of Japan'.

At the bottom, there's a footer with navigation links: 'About Daijob, Inc.', 'For Employers', 'Accessibility Information', 'Terms of use', 'Privacy Policy', 'Contact Us', 'Site Map', and 'Help'. A small logo on the left says 'More than just Global'.

Daijob Features

Daijob has around 3 million page views per month and boasts a database of over 300,000 resumes of highly qualified bilingual and bicultural candidates.

You can post jobs on both Daijob.com and WorkInJapan.com. In addition to job postings companies can create a feature article with photos and a summary of their company to appeal even more to candidates.

Using the company administration tool, the resume bank can be searched and up to 100 scout mails a month can be sent to the best candidates.

Efficient use of these functions will enable you to expand your candidate pool and find the right candidate for the right job.
