

## Company Details

Company Name	Third Bridge Japan KK
Company Details	<p>■ 事業内容 / Company Profile Third Bridge is a market-leading investment research firm. We provide integrated solutions for the world's top investors and business leaders to help them make smarter and faster decisions. No other company in the world provides the same holistic investment offering: our superpower is the combination of human insights and unique investor-led content with a global expert network. We serve over 1,000 investment firms, offering clients 24/7 coverage through our team of 1,300+ employees located across eleven offices.</p> <p>■ 企業PR / Company PR At Third Bridge, we're a primary research business providing professional services to Private and Public Equity Investors, Investment Consultants, Investment Managers, and more. We help those investors understand companies and the issues they face. We build and share intelligence on key industry drivers and the latest sector trends. And we offer the kind of critical knowledge that's regularly overlooked by conventional investment research, and which investors won't find anywhere else on the planet. Put simply, we're creating the world's largest database of human insights - and we're the architects of an incredible ecosystem that fuels better and faster investment decisions. Together, we're on a mission to designing, building and delivering a different kind of future. It's all about creating a space where people are empowered to make bold moves. To explore new ways of working. To go where no-one has ever gone before.</p> <p>■ 募集職種 / Open Positions</p> <p>● 職種 / Positions Associate, Client Services</p> <p>● 仕事内容 / Job Description As an Associate, you'll have opportunities to work with the top investment and management consulting firms in the world. They will trust in you for access to the most relevant experts and research content, which you are responsible for identifying and recommending to them throughout their project lifecycles. To do so you'll gather a unique set of stakeholder management skills that will help you deliver excellent results for both clients and experts. The projects can be complex, but the impact is meaningful - every day you will get to hear directly from your clients, experts and colleagues about the difference you have made.</p> <p>● 勤務地 / Work Locations Tokyo, near to Tokyo station</p> <p>● 待遇 / Salary Annual salary from JPY 4,800,000 to JPY 7,200,000, including uncapped bonus</p> <p>● 応募条件 / Qualifications</p> <ul style="list-style-type: none"> <li>• Proficiency in Japanese(written and oral - Level N1 above) and workable English</li> <li>• Of course, brilliant communication skills - especially using the phone - are essential.</li> <li>• Strong academic credentials, or a proven background in a customer focused role.</li> <li>• Attention to detail and an ability to work under pressure.</li> </ul>
