Job Type	Creative (Media Related) - Producer/Planner Creative (Media Related) - Creative (Game/Video/Audio) Creative (Media Related) - Producer/Director
Industry	Games
Location	Asia Japan Fukuoka
Job Description	<p>You will be responsible for handling general planning tasks for newly developed in-house smartphone game titles. Your specific job duties will include:</p> <ul style="list-style-type: none"> • Engaging in planning and direction work for game development, such as creating plans, drafting documents, and overseeing operations. • Handling tasks related to specifications, event planning, level design, and scenario creation. • Conducting market research and analysis, as well as creating relevant documents. • Setting various data parameters and describing scenario scripts. • Managing work progress and ensuring project timelines are met. • Planning and proposing various promotional activities. <p>As a planner, you will have a significant influence on the game content, allowing your own ideas to be reflected. While the responsibilities may be demanding, the satisfaction of seeing your ideas come to fruition and receiving positive feedback and support from customers is particularly rewarding.</p>
Company Info	<p>This is a place where individuals with diverse values, nationalities, ages, and experiences come together. We provide opportunities for training and events to foster understanding of each other's diversity and create a unified team. We value the connection between the company's mission, vision, and the thoughts of our team members, promoting a sense of security and unity.</p> <p>Reasons to consider working with us:</p> <ol style="list-style-type: none"> 1. Personal and professional growth: We offer an environment where you can grow both personally and professionally. By engaging in a wide range of services and embracing the unique perspectives of our team members, you will have the opportunity to expand your skills and knowledge. 2. Open and inclusive culture: We value the voices of our team members and foster an open atmosphere. Regardless of age or position, we actively encourage the exchange of opinions, working together to create something remarkable. 3. Lively and exciting work style: We believe in maintaining a lively and energizing work environment. With 120 days of annual holidays and an average overtime of around 18 hours, we strive to reduce overtime hours and create a conducive environment where our team members can work in good health and with enthusiasm. 4. Creating services with a global perspective: Located in Fukuoka, we have excellent access to urban areas, major stations, and airports. We have established a support system for new hires from outside the prefecture and overseas, and we are seeking partners who are eager to challenge the world together from Fukuoka. <p>We eagerly await applications from individuals who are eager to bring their unique sensibilities to life.</p> <p>Note: We have designated a specific outdoor smoking area on the premises to ensure compliance with passive smoking measures.</p>

Working Hours	0:00-18:30 (actual work 7.5h, break 1h) Average overtime hours (month): 18 hours
Qualifications	<ul style="list-style-type: none"> • Minimum of 3 years of work experience as a game planner (platform not specified) • Experience in planning core content (main gameplay aspects of the game), creating outline documents, and developing specifications • Ability to analyze and articulate the fun and appeal of games, whether developed in-house or by other companies • Proficiency in creating outlines and specifications using tools such as Excel, Google Spreadsheets, Powerpoint, Word, etc.
