Industry	Chemicals/Petro-Chemicals
Location	Asia Indonesia Asia Viet Nam Asia China
Job Description	<p>■Business content: At the company, you will be in charge of on-site technical support (quality/production troubleshooting, new product development) for ASEAN production bases for high-level textile processing (spinning, weaving, knitting, dyeing, sewing). The specific locations and technologies in charge are as follows.</p> <ul style="list-style-type: none"> <li>• Textile processing engineer: China, Vietnam, Indonesia (Jakarta)</li> <li>• Weaving engineer: China, Vietnam, Indonesia (Jakarta)</li> <li>• Knitting engineer: China, India, Vietnam (Ho Chi Minh), Indonesia (Jakarta)</li> <li>• Dyeing processing engineer: China, India, Vietnam (Ho Chi Minh)</li> <li>• Sewing engineer: China, India, Vietnam (Ho Chi Minh)</li> </ul>
Company Info	<p>■Attractiveness of the company: ◎Since our founding, as a basic materials manufacturer, we have worked hard to develop new fields and new materials, and in addition to the "textile business" at the time of our founding, we have also developed a "functional products business (films, chemicals, resins, and even electronic information materials)". We create many advanced materials and high value-added products in various fields such as "carbon fiber composite materials," "life science business (pharmaceuticals and medical care)," and "environment and engineering business (water treatment and environment)." .</p> <p>◎We have four core technologies: organic synthetic chemistry, biotechnology, nanotechnology, and polymer chemistry, and the development of these technologies will lead to Toray's business expansion.</p>
Working Hours	9:00-17:30 (Regular working hours: 7 hours 30 minutes) Break time: 60 minutes Overtime work: Yes
Qualifications	<p>【Prerequisite】 - Must have experience as a key manager who oversees the entire factory, rather than being in charge of a single process at a high-level textile processing site. • Local language (Indonesia, Vietnam, Chinese, etc.)</p> <p>&lt;Final educational background&gt; Graduate school, university graduate or above</p> <p>[Welcome conditions] • People with experience in production management are welcome.</p>
