Job Description	<p>In promoting group management, we are focusing on strengthening our organization with a focus on consolidated financial results. We are currently looking for someone with experience in accounting at a listed company.</p> <p>Those who join us will be in charge of one or two group companies and will be responsible for all accounting operations. Our company has introduced IFRS, but please rest assured that we will support you with any tasks you have no experience with. We may be particularly busy around May and November due to financial settlement, but it's not always a busy season and you can work in a balanced manner.</p> <p>Our company's philosophy is to hire people of all ages mid-career, and rather than hiring only young people, we often hire people with skills and experience who can immediately start working. The head office where I will be assigned this time has a calm environment, with few employees in their 20s and mostly employees in their 30s to 50s. The company's management department only hires mid-career hires, and the environment is easy for new employees to get used to.</p> <p>① Cash deposit/deposit/withdrawal management ② Journal entry slip entry ③ Expense settlement ④ Management of accounts receivable and payable ⑤ Invoice issuing business ⑥ Payment processing operations ⑦ Settlement operations (monthly, quarterly, annual, support for auditing companies) ⑧ Tax-related services (tax procedures, tax calculations, etc.), etc.</p> <p>■About our company: ◇Fair and fair evaluation system: Based on "open management," evaluation standards are made available to all employees, allowing them to understand the timing of salary increases and promotions, as well as incentives. We also incorporate 360-degree evaluations, not only looking at the results, but also the process that led to the results and the performance of the departments to which we belong.</p> <p>◇An open company culture: Our company is characterized by active internal communication, strong team cohesion and a strong sense of camaraderie, and an open company culture.</p> <p>◇Environment where you can take on challenges: We provide an environment where you can take on challenges by yourself, such as in-house recruitment, an independent support system, and an in-house FA system, and an environment where you can develop your career. In fact, when we previously established a wholly-owned subsidiary in Myanmar, a new graduate employee who had been with the company for four years applied for an internal job offer. I was appointed as a local manager and am currently working as an officer of the Myanmar branch.</p> <p>◇Listed companies ◇We have a track record of promoting women to management positions.</p> <p>■Organizational structure and career path:</p>

	<p>After joining the company, you will be assigned tasks according to your individual skills and experience.</p> <p>We are currently introducing IFRS and focusing on solidifying our organization as a company, and are looking for people with experience in IFRS work.</p>
