

## Job Detail

Staff Level

Position Title	[Design engineer] Design of semiconductors, liquid crystals, PDP, etc.
Recruiter Company	Global Trust Networks Co.,Ltd./株式会社グローバルトラストネットワークス
Company Name	Company name is private
Activated / Updated	2024-03-06 / 2024-03-27
Job Type	Electronics (Appliance/Semiconductor) - Design/CAD Design/CAD Operator Manufacturing (Automobile/Plant Engineering/Precision Equipment) - Control - Software Architect
Industry	Electronics, Components, and Semiconductor Manufacturing
Location	Asia Japan Kanagawa Asia Japan Osaka
Job Description	<ul style="list-style-type: none"> <li>◆ Electronic circuit design job content: Electronic circuit design (analog/microcontroller peripheral/FPGA)</li> <li>◆ Mechanical design job content: Automatic mechanical design (semiconductor, liquid crystal, PDP, LED, etc.)</li> <li>◆ Control design job content: Automatic machine software design (PC/PLC)</li> </ul>
Company Info	<p>There are already multiple foreigners on the design and development team! Due to business expansion, we have decided to increase our staff.</p> <p>&lt;Company characteristics&gt; Our products have supported production sites in a variety of industries, including home appliances, semiconductors, medical care, housing equipment, LCDs, automobiles, and food. Rather than relying on a specific industry, we must look one step ahead, gather information, and continue to hone our skills. This has given us the strength to overcome the times, and our headquarters continues to steadily grow as a group of engineers capable of responding to any needs.</p>
Working Hours	9:00-18:00
Qualifications	<p>Required skills</p> <ul style="list-style-type: none"> <li>■ Those with new sales experience</li> <li>■ Those who know Japanese culture and customs</li> <li>■ Those who can build a network with overseas customers</li> <li>■ Those who graduated from engineering universities (mechanical, electrical, electronic, etc.)</li> </ul> <p>welcome skills</p> <ul style="list-style-type: none"> <li>■ Those who understand C language (If you do not understand, we will educate you during the research period.)</li> <li>■ Personnel seeking practical development experience as an engineer</li> <li>■ Those who are steady and can work in teamwork</li> <li>■ Strive diligently to achieve your goals</li> </ul> <p>Human resources required</p> <ul style="list-style-type: none"> <li>■ Those who are steady and can work in teamwork</li> <li>■ The type of person who works hard to achieve their goals</li> <li>■ People who have a desire to grow and are willing to improve</li> </ul>
