Company Info	<p>■About Next Beat "Create an Internet business that is needed in a society with a declining population and revitalize Japan." This is NextBeat's philosophy that has remained unchanged since its founding.</p> <p>In the face of Japan's challenges, such as population decline, aging, and depopulation, there are many things that need to be addressed, and I believe that once we overcome these challenges, we will have a future that we can show to the world.</p> <p>While proactively addressing these issues, we will continue to create a "normal future" by tackling life events, regional revitalization, and global business, and developing new solutions with evolving technology, driving force, and a venture mindset.</p> <p>Would you like to create a "normal future" with us?</p>
