Job Description	Seeking an experienced Senior Delivery Manager to lead our Digital Transformation Practice in Japan. Manage a team of 75 initially, with plans to expand. Responsibilities include driving project success, client management, strategic growth planning, and team leadership.
Company Info	Company Systems is an Information Technology services organization with a focus on IT Services and Quality Management solutions for Global 2000 customers in Japan and Hong Kong. At the Company, we firmly believe that proximity and partnership-based collaborative working model at our client's workplace are fundamental to the success of major IT initiatives. Our approach is to work in close partnership, understand your business to offer solutions that are relevant to you and align our way of functioning that enables your success. While we recommend our engagement at the early stages of programs or projects to assist our clients with true value discovery, our model allows us to get involved even at different stages of the project life cycle. We know, you have a choice of Technology and Outsourcing service providers for the needs of your IT organization. However, by engaging the Company, we can guarantee you the success of your IT initiatives through the unique blend of our focus on nurturing long-term relationships, our superior technical expertise, and our uncompromising commitment to service excellence.
