Job Description	<p>A listed company with a history of over 70 years. This is a general position position in the corporate planning department of a commercial air conditioner manufacturer. We deliver air conditioning equipment to large facilities such as offices, hospitals, schools, stations, and factories, and have the top share in Japan. We have advanced technical capabilities, flexible response capabilities, and a track record built up over a long history, such as responding to individual orders depending on the characteristics and purpose of the building. We have 5 production bases in Japan and overseas. In addition to our Okayama and Kanagawa factories in Japan, we have overseas bases in China and Taiwan, allowing us to serve the ASEAN region, India, and the Middle East.</p> <p>In order to further strengthen our overseas business, we are looking for colleagues to work in the International Sales Department to develop new sales in the ASEAN region and India. If you have experience in marketing or sales support, please apply.</p> <ul style="list-style-type: none"> <li>●Research, analysis, and strategy planning for developing construction clients, design offices, construction companies, and sales agents in the ASEAN region and India</li> <li>●Engaged in overseas web service development and digital marketing</li> <li>●Overseas sales and product specification meetings and export/import arrangements through web conferences from Japan</li> <li>●Overseas business trips once or twice a month (meetings with our agents and customers, etc.)</li> </ul> <p>*We mainly sell air conditioners (FCU*) for luxury hotels (5-star class) overseas. *In addition to non-Japanese companies, this is a BtoB business where Japanese subcontractors overseas sell products with technical knowledge about air conditioning.</p> <p>[Number of members] 6 people</p>
