TOKYO, JAPAN - Human Global Talent Co. Ltd., the parent company behind the successful job portal Daijob.com, is gearing up for the 50th Daijob Career Fair, scheduled for December 8, 2023, at AKIBA_SQUARE, Akihabara, Tokyo. Companies looking to tap into a pool of talented bilingual professionals and IT engineers with aspirations for overseas assignments are invited to exhibit.

Career Event for Global Talent
Daijob Career Fair

Free re-entrance / Free admission

2023. 12.08 [Fri.]
Akihabara UDX 2F AKIBA_SQUARE

Highlights:

- **Daijob Career Fair** - A face-to-face recruiting event tailored for bilingual professionals who seek to utilize their language skills. The previous event, held on September 15, 2023, saw a 100% success rate for HR representatives from both foreign and Japanese global companies in meeting potential candidates.
- **Special Zones** - This year's fair is introducing dedicated areas for IT engineer positions. In collaboration with our international job portal "Working Abroad", we are also presenting a zone for firms offering overseas positions.

Event Overview:

Daijob.com, renowned for its commitment to connecting global talent with their dream roles, promises another lively event. The previous fair, which hosted a special area for the hospitality industry, was bustling with over 500 visitors and was fully booked by global brands. This time around, the event emphasizes on IT Engineers due to popular demand among Daijob's registrants. The overarching theme, "Get Hired in a Day", embodies the fast-paced, efficient nature of the fair. Exhibitors can scout and receive applications from job seekers in advance, facilitating productive interviews on the day itself.

Companies beyond the realm of IT and overseas postings are also encouraged to participate.
